OFFICE OF COLLECTION AND DISSEMINATION

REQUIREMENTS STUDY NO. 4 a

25 March 1947

SUBJECT: Control Procedure Relating to Dissemination

1. Informal progress report by Requirements Branch shows that the solution of the problem assigned by Requirements Study No. 4 depends upon a number of factors still in the uncertain stage, such as:

a. CIG action on the Publications Review functions (reference: memo of 29 Jun 1947 to Chief, ICAPS, from OCD, in file: Publications Review)

b. Impact on CIG procedure of the President's Executive Order relating to security.

2. As stated in the original directive, no deadline is set. Another progress check will be made on 24 April 1947.
